Dear Ms. Ana Argento Nasser

On behalf of UN-HABITAT and Dubai Municipality, I would like to inform you that the TAC & Jury for the DIABP 2012 classified your **"Cultura para Todos: Proyecto de Inclusión Social" (Culture for All: Social Inclusion Project)** as a "Good Practice", and applauded its impact in improving the living environment.

We have added it to the Best Practices Database (<http://www.unhabitat.org/bp/>) as a way of promoting global exchange, learning and replication.

We would like to congratulate you for your initiative and encourage you to submit updates which, if they represent significant changes in terms of impact, partnership or sustainability, will be eligible for consideration in future cycles of the Dubai International Award for Best Practices.

Thank you for your interest in Dubai International and keep up the good work.

Yours sincerely

Ms. Wandia Seaforth,  
Chief, Best Practices Programme
